

## News From The Cub's Den – Week of 9/15

**Verse Of the Week: "Wait for the lord; be strong and take heart and wait for the Lord." Psalms 27:14**

**Week two did not disappoint!** CES Kids have been focusing on "All About Me" as our theme this week. The weather has been spectacular, and the kids are enjoying many beautiful days outside during recess, getting to know one another and their classes. Please see the announcements and reminders below to stay in the know.

### School Announcements & Reminders

**Parent Nights** - A flyer was sent home this week with this year's monthly Parent Night schedule. As a reminder, attendance by at least one parent/guardian is required to maintain your scholarship. Please let us know if you have difficulty attending. Our first meeting is Monday, **September 22nd, beginning at 5:30 p.m.** with dinner, followed by a presentation from Pharos Parenting from 6:00-7:00 p.m. Childcare will be provided after dinner.

**-Next week, families will receive a Missing Forms letter** indicating which required documents are still needed for your child's records. Please watch for this important communication.

**-During the week of September 22nd**, CES will conduct two active shooter drills on Tuesday and Thursday, practicing different emergency scenarios. Our staff has received comprehensive training from a CMPD officer. The safety of our students and staff remains our top priority at CES.

**-Student assessments for Pre-K and Transitional Kindergarten** students are scheduled for the weeks of September 22nd and 29th. These baseline assessments will help us measure each child's progress throughout the school year.

**-Beginning the first full week in October**, specialty classes will commence, including Chapel, Music, Art, and Science. Additionally, a librarian from Charlotte Mecklenburg Library will visit CES monthly for reading time, songs, and crafts.

**-We're Still Growing** - Help Us Spread the Word! We have exciting openings available! Know a potty-trained 2-year-old ready for preschool? We'd love to meet them! We also have spots available in our Pre-K 4 and Transitional Kindergarten classes. Help us spread the word to families who might be interested in joining our CES community!

## What's Coming Up at CES!

**Theme for Week of 9/15:**  
**Five Senses**
