

## News From The Cub's Den – Week of 1/19

**Verse of the Day:** "Let us keep our eyes on Jesus, on whom our faith depends from beginning to end." Hebrews 12:2

Cardinals, Titmouse, Brown Thrashers, Robins, Carolina wrens...all North Carolina birds that sing to us every morning! This week, CES Cubs explored the wonderful world of birds through hands-on learning centers. They listened to amazing bird calls and songs, made bird feeders, tested the aerodynamics of feathers, matched letters found in bird seed sensory buckets, and enjoyed "dirt and worms" for snack (chocolate pudding and gummy worms). Thank you to all our volunteers who made these activities possible!

### School Announcements & Reminders

- **Bags of Hope Weekend Meals:** Two deliveries were made this week due to the strong possibility of inclement weather arriving this weekend thereby affecting next week's school schedule.
- **Please watch for daily notifications for school closures and delays as we navigate the upcoming winter storm.** As a reminder, if CMS is closed, we are closed. If CMS is delayed one hour, then we are also delayed one hour; however, if CMS is delayed 2 or more hours, CES is closed.
- **January's Parent Night** was a success. Thank you for making the effort to attend each month. CES strives to partner with families by providing needed education and resources to improve quality of life. We appreciate your cooperation.
- **Space Week Dress-Up Day:** The last week of preschool is Space Week! CES Cubs are invited to dress up for Space Dress-Up Day on **Thursday, January 29**. We love seeing creative alien and astronaut costumes! No need to spend money—use what you have at home.
- **Please note Student assessments and teacher conferences may be postponed due to inclement weather.** Your teacher will update you accordingly. Thank you for your understanding.
- To recognize **Dental Health Month** in February, **Dr. Jane Sholar** and her puppet, Mike the Molar, will be visiting CES on **Thursday, 2/5**. Dr. Sholar will demonstrate proper dental hygiene and healthy food choices to promote dental health while making dental health fun.

## What's Happening at CES!

### Theme for Week of 1/26:

Outer Space
