

News From The Cub's Den – Week of 2/23

Verse of the Day: "Fear not, for I am with you; be not dismayed, for I am your God." Isaiah 41:10

How time flies! We have enjoyed a wonderful week receiving visitors from many different careers sharing with the Cubs i.e. an artist/children's book author, a dentist, a doctor, an automobile parts expert, a musician, and finally the fire department. The kids loved seeing the fire truck albeit on a very cold and blustery day! Please see the announcements below to stay in the know.

School Announcements & Reminders

Preschool Registration - If you plan for your child to return to CES next year, please complete your registration application and remit it as soon as possible as space is limited and seats are filling quickly. We do not want your child to be placed on a wait list. Don't wait! Also, if you are receiving a scholarship, please provide a pay stub or a W-2 if your pay has changed during the past year. Thank you.

No School — Tuesday, March 3rd Please note there will be NO SCHOOL on Tuesday, March 3rd, due to a scheduled CMS Teacher Workday.

Nursery Rhyme Week Get those costumes ready! On **Wednesday, March 4th**, children are invited to come to school dressed as their favorite book or movie character in celebration of Nursery Rhyme Week. We look forward to seeing all the creative costumes!

Field Trip — Save the Date! Mark your calendars — CES is heading to Discovery Place Kids on Thursday, April 2nd! More details will be coming soon, so stay tuned!

Dismissal Communication - We love your little ones and their safety is always our top priority! To ensure every child is released safely and to the right person, we kindly ask that you notify us in advance whenever someone other than your usual pick-up person will be collecting your child at dismissal. You can reach us by **phone, text, or written note** — whichever is easiest for you! Please know that for anyone our staff hasn't met before, we will ask to see a photo ID. This is simply our way of keeping your child safe, and we appreciate your understanding.

Please also note that without prior notification from you, we are unable to track individual pick-up arrangements, so a quick heads-up goes a long way in making sure dismissal runs smoothly and safely for everyone. Thank you so much for partnering with us to keep your children safe — we truly appreciate your cooperation and support!

What's Happening at CES!
