

News From The Cub's Den – Week of 10/7

Verse Of the Week: "I have come that they may have life, and have it to the full." John 10:10b

Tasting Pumpkin seeds, pumpkin pie, sweet potato pie, fresh apple juice, painting pumpkins, matching numbers and lower-case pumpkin seed letters with upper case pumpkin letters, painting fizzy apples, putting our hands in slime, and doing apple math are just some of the fun activities the CES Cubs did in the den this week. Check out the photos on Class Dojo and the Cornelius Early Scholars Facebook page! Please see the announcements and reminders below to stay in the know!
